

Astar Cruises

Operators of Southern Cross

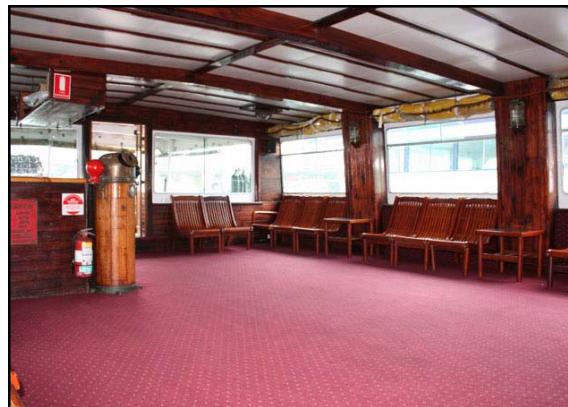

Astar Cruises, operator of **Southern Cross**, is a renowned specialist in Sydney Harbour cruises for all types of occasions and celebrations. We truly are the best in quality, service and the most respected by Sydney Harbour herself.

The Southern Cross is a two level monohull with a capacity of 150 passengers. She is superbly maintained and has a beautiful nautical feel, with red décor, brass appointments and polished timber finishing, creating a warm and classic atmosphere.

It is the perfect setting for any function such as birthdays, Christmas parties or conferences providing the finest in cocktail, buffet or formal dining with deliciously fine foods.

On the top deck she has a fully licensed bar, which can be tailored to suit your needs, large viewing windows, a lounge area and adjoining observation area.

One can also enjoy the Southern Cross and its charm, dancing to our DJ, band or simply relax as you cruise through beautiful Sydney Harbour in true style.

Choose from our **Astar Cruises** packages and for more information, contact us and speak to one of our friendly staff who will assist you with information on your booking and also where required, be more than happy to assist in the preparation of your special day and event.
